Supervisors of the public highways are required by law during July and August to have all weeds, briars, burrs and bushes cut from the roadways. The roadways extend the full width of the platted ground. The Street Commissioner should be charged with the same duties.

Franklin Township. The Democracy of Franklin township have organized a HANCOCK & ENGLISH Club. W. F. MASON is President, Geo. W. ROBINSON, Secretary and JOHN E. MINAR, Vice President. We predict that Franklin will give the Democratic ticket a majority at both the elections this year.

J. H. McKEE, of Calais, was tried before Judge WALTON last week, on a charge of selling liquor on election day, found guilty and sentenced to five days imprisonment and to pay a fine of \$10 and costs. At the expiration of the five days, HOGS will be put on the stone pile, provided he fails to pay the fine and costs.

The work of organization in this county is going right along. If the Central and Executive Committees don't wake up soon, the townships will all be organized before they are ready to move. The people are taking hold themselves this year all over the State, and our guess is, that that kind of a movement in the organization line is a great deal better than if it were mapped out for them by Committees. Democrats, push on the work!

ANNOUNCEMENT.

Life of General Winfield Scott Hancock.

We are glad to know that the well known publishing house of HUBBARD, REES, of Cincinnati, have in preparation and will soon issue the "Life of Gen. Hancock," written by his old-time friend, Hon. JOHN W. FORNEY.

The career of the brilliant soldier who is soon to be transferred to the White House furnishes material for a volume which, in deep and thrilling interest, has rarely been equaled in the annals of American biography. It is fortunate that his preparation has been assigned to Col. Forney, who for twenty-five years has been known as one of the ablest editors and most brilliant writers in America. His known ability, and his personal intimacy with Gen. HANCOCK, are a sufficient guarantee that the book will be full, complete and authoritative—a volume of permanent value, and in this respect widely different from ordinary campaign literature. It will be sold only by subscription, and must meet with a very large sale.

Board of Equalization.

The Decennial County Board of Equalization will meet at the office of the County Auditor on the second Monday (9th) of August. The Board will consist of the County Commissioners, Surveyor and Auditor. As it is important that the "hardens of taxation be equally borne, this meeting is of great importance to citizens of the several townships. Considerable time will necessarily be required to take up each township and town and compare valuations, to arrive at a fair and just relative valuation of the lands of the county. Even then much difficulty will be experienced by the Board from a lack of minute knowledge, especially regarding the value of town lots, and they will have to rely chiefly upon the report of the district assessors. It is suggested that each township choose a delegation of intelligent and fair-minded citizens to meet and confer with this Board upon a given day, in order that an equitable adjustment may be arrived at.

The following named Democrats from this county attended the Congressional Convention at Marietta on the 29th ult.: G. S. ALGER, W. C. POOLE, Dr. G. B. WEST, DANIEL LITTLE, J. B. DEIGOLD, DAVID OKRY, T. O. LITTLE, Dr. J. L. MASON, JOHN OKRY, N. D. GARDNER, Wm. HAYES, JAMES HURTER, W. T. HORN, Wm. RUTHER, Wm. H. BOZOR, G. O. DOUGHERTY and E. L. LITCH.

The delegation organized by appointing Geo. S. Alger Chairman, and Jas. Reuter, Secretary.

The following named were appointed on committees as follows: Permanent Organization, E. L. LITCH; Credentials, W. C. POOLE; Resolutions, J. B. DEIGOLD; Congressional Committee, DAVID OKRY.

The game inaugurated here by the officers of the B. & S. W., to have the stockholders give their stock away to the present management, has not panned out as well as they expected. The idea of asking \$100,000 in stock for an advance of \$30,000, which, we are informed, was to be raised at last by a sale of a part of the issue of bonds, ordered by the Board some time since, was so transparent a game that very few stockholders had the patience to talk about it, let alone give their stock to aid its consummation.

# THE CAMPAIGN SPIRIT.

We will furnish THE SPIRIT to December 1st, 1880, for the small sum of FIFTY CENTS.

The campaign this year bids fair to be a red-hot one, and every Democrat in Monroe County should keep fully posted. We intend to present in THE SPIRIT the facts concerning the opponents of the Democracy and firmly believe that they will convince our readers that Credit Mobilier—D-Golyer—Salary Grabbing—Corrupt Custom House candidates should not receive the aid of the honest masses.

Send in your subscriptions. Address, H. R. WEST, Woodfield, Monroe Co., Ohio.

Sweet is the sleep our mother takes, Till in Christ Jesus she awakes. There will her happy soul rejoice, To hear her blessed Savior's voice. Oh! mother dear a short farewell, Then we may meet again above, And rove where angels love to dwell, Where trees of life bear fruits of gold. Our mother has gone to a mansion of rest, From a region of sorrow and grief, To the glorious land by the deity blest, Where she never will suffer again. LIZZIE LATZCH.

Under a pressing demand for money, a few casks of wool have been moved in this vicinity at 40 cents a pound.—Guernsey Times.

Another great disaster has befallen the British in Afghanistan. Gen. Burrows' brigade of 2,700 men was annihilated near Candahar, the first part of this week, by Ayob Khan. The remainder of the British forces at Candahar have taken refuge in the citadel.

One of the best signs of the times, for America, at least, is Russia's determination not to export any wheat this year, this action being caused by a partial failure in the crop. Europe's extremity is America's opportunity; we will have enough grain to spare to feed all the hungry mouths of the world.

GARFIELD, the Republican candidate for President, was politely asked by his constituents to resign his seat in Congress; Arthur, their candidate for Vice President, was bounced from the New York Collectorship office by Hayes and Sherman, and Jewell, the Chairman of their National Committee, was kicked out of Grant's Cabinet.

GUERNSEY county has a total population of 29,072, an increase over the census of 1870, of 4,034. The population has increased in all the townships except the old "Pennyroyal township," where there is a falling off of 92. The largest increase is shown in Cambridge township, which has an "excess" over the last census of 1,318.—Times.

GEN GRANT has been elected president of the San Pedro and Canon Delagua Mining Company. The company owns forty thousand acres of mining land in New Mexico, and the General has been down there to get acquainted with it. It has a capital of ten millions, will have its headquarters in New York City, and will pay Gen. Grant twenty-five thousand a year for his services.
